

**Remarks:**

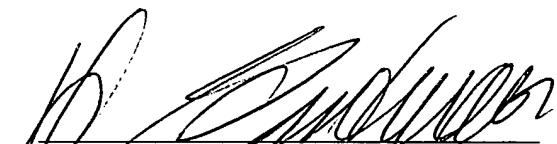

The amendment to page 1 sets forth the international application information.

The amendment to page 37, line 15 is the obvious correction of an obvious error. Fig. 2 and the relevant disclosure on page 35, line 22 through page 36, line 10 show that the magnets are designated by the numeral "31" and that the numeral "32" designates a coil and not magnets.

Each of claims 7 and 10 is amended to be a proper multiple dependent claim. Claims 17-21 are directed to subject matter which is deleted from claims 7 and 10 by the present amendment.

Entry of the present amendment is solicited.

Respectfully submitted,

HERBERT GOODMAN  
Reg. No. 17,081
